Terri C. Fredericks

Administrative Manager

tfredericks@cnrinc.com

Terri Fredericks has been a member of the Corporate National Realty team since 2000. As Administrative Manager, she is primarily responsible for the day to day operations of the office, including facility management, accounts receivable and payable and all financial reporting to the Partners. In addition Terri manages all aspects of human resources relative to benefits administration, payroll processing and office staffing. She is also personal assistant to the President of the firm.

Her career includes experience in the real estate, finance and interior design industries.

Terri holds a Bachelor of Science degree in Retailing/Interior Design from the College of Business at Rochester Institute of Technology.
